## MEMORANDUM

TO: HIGH SCHOOL DIRECTORS

FROM: ASW ENTERPRISES, LLC

REGARDING: CAPITALIZATION – 2016-2017 *UIL Word Power*

Please have your students research all words on the list which show both a capital and a lowercase letter. In some instances, either spelling is correct, in others, the meaning determines whether the capital or lowercase letter is appropriate. On the district, regional, and state tests, definitions will be given for all words and your students will need to know when the capital letter is appropriate and when it isn't.

- denotes vocabulary word
